MEMORANDUM FOR: Executive Director

FROM: Deputy Director of Central Intelligence

SUBJECT: DCI's Memo to DDO dtd 7 Nov 85 (ER 85-4365)
re Assignment of DDI Personnel into DDO Positions

I think it would be useful if you got the Deputies together to lay out a program responsive to the Director's request. While the Director's memo goes specifically to DDO and DDI, you should also consider DDS&T, and for that matter, DDA as appropriate.

MEMORANDUM FOR: Deputy Director for Operations
FROM: Director of Central Intelligence

1. I am pleased with the assignment of DDI personnel into DDO positions. I urge continued location of DDI analysts wherever possible overseas serving as analysts, reports officers, [redacted]

3. You might also consider assigning DDI personnel in the front offices of the various area divisions where the analysts could not only expand their area knowledge but also develop a sense of the operational environment which could serve them later on in their careers.

4. I would welcome any thoughts you have on where DDO personnel could serve within the DDI.
